# Colorado Medical Cache-Western Slope (CMC-WS)

*The CMC-WS purpose is to provide equipment and supplies to Western Colorado medical partners and other emergency incidents.*

# CMC-WS Objective

- Provide interagency service to local, regional, and statewide medical partners.
  - The CMC-WS is a state cache for all counties in Western Colorado.
  - It provides logistical and material support directly to incidents, organizations supporting incidents, and individual units or projects.

# CMC-WS Operations

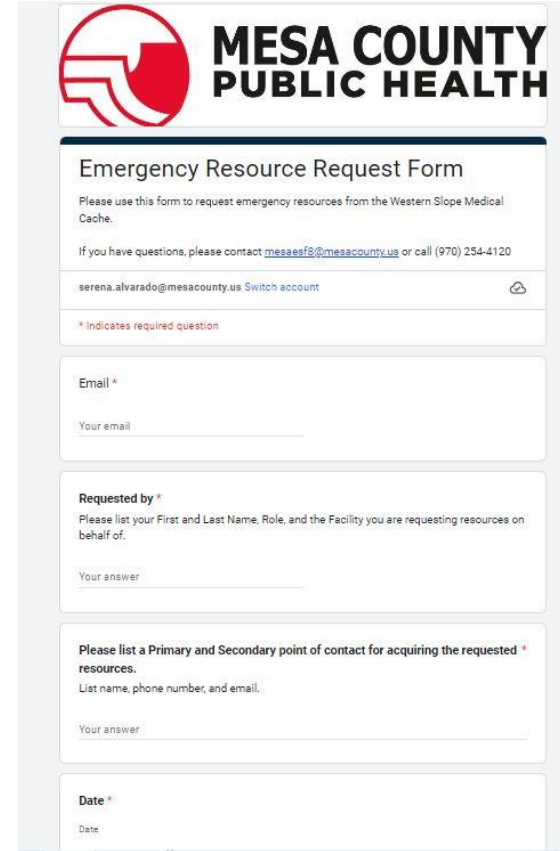

- The CMC-WS is a state shared resource of disposable and reusable standardized supplies and equipment that are available to meet short-term emergency needs.

# State Contract

- The CMC-WS is under contract with OEPR and CDPHE.
- Mesa County is contracted to maintain the storage facility and resource management

# Ordering Resources from CMC-WS

- All request for supplies should be submitted using the [Emergency Resource Request Form](#).
- Delivery of supplies will be determined between CMC-WS and the requester.

The screenshot shows the 'Emergency Resource Request Form' from MESA COUNTY PUBLIC HEALTH. The form is titled 'Emergency Resource Request Form' and includes instructions: 'Please use this form to request emergency resources from the Western Slope Medical Cache.' It provides contact information: 'If you have questions, please contact [mesaesf@mesacounty.us](mailto:mesaesf@mesacounty.us) or call (970) 254-4120'. The user 'serena.alvarado@mesacounty.us' is logged in, with a 'Switch account' link and a refresh icon. A note states '\* Indicates required question'. The form contains several input fields: 'Email \*' with a placeholder 'Your email'; 'Requested by \*' with instructions 'Please list your First and Last Name, Role, and the Facility you are requesting resources on behalf of.' and a placeholder 'Your answer'; 'Please list a Primary and Secondary point of contact for acquiring the requested resources.' with instructions 'List name, phone number, and email.' and a placeholder 'Your answer'; and 'Date \*' with a placeholder 'Date'.

# CMC-WS Inventory

- CDPHE provides PPE such as gloves, face-masks, face-shields, & gowns for emergency use.
- Inventory includes some necessary items for an alternative care site.
